

# MARRIOTT COMMUNITY CAREGIVER RATE

## Overview:

Marriott International invites first responders and support staff providing medical, relief, and support services to book designated hotels nationwide as a part of a community caregivers program. This will provide health care and relief professionals, and those supporting them, a place to stay in close proximity to hospitals and government buildings as they aid in COVID-19 response efforts.

A “Community Caregivers Rate” has been established to expedite the booking process for healthcare and relief professionals and support staff. This rate will be available from March 26, 2020 through June 30, 2020 at participating hotels.
